

# Harshit Dave

## UI/UX Designer

### PERSONAL SUMMARY :

An ambitious problem solver with a passion for online businesses, and who would like to join a team of like-minded designers. Harshit has much experience of creating creative and innovative solutions to complex problems. He is thorough and precise in everything he does, and has a keen interest in designing, web design and user experience. As someone who takes responsibility for his own personal designing, he is continually evaluating and upgrading his skills so that he stays at the cutting edge of web & graphic designing. He is a natural problem solver, who has proven himself by successfully completing projects for IT consultancies, software houses, web design agencies, and IT departments.
